

AMERICAN RUSSIAN MEDICAL ASSOCIATION

March 17, 2010

Dear ARMA Member,

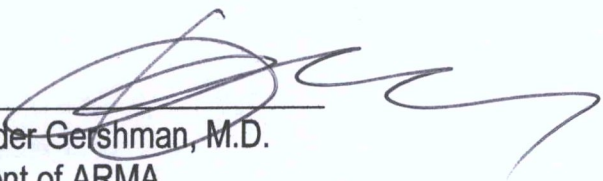

In our experience, EZ Scan is a high quality, efficient and highly specialized digitizing firm for the medical industry.

As physicians, we are all facing this digital transition together, a transition that brings challenges and great rewards. I consider having EZ Scan and Edward Makaron an asset to the medical community in making this transition a positive one.

We would like to take this moment to formally endorse EZ Scan by E.I. Solutions as the official scanning firm of the American Russian Medical Association.

We trust that your experience will be as pleasant as ours.

Best regards,

Alexander Gershman, M.D.
President of ARMA
